3. Add your Key Code to the card plus a phone number on the back of the door hanger with a dark marker.

*Your Unit Leader will have a personalized version of the door hanger with available products and images added.*

4. Now you're ready to pass out these hangers and cards.
  - Hangers are great on door knobs or use a rubber band to attach on mailbox flags of houses in your community.

- Ask the property manager if you can leave hangers or cards in the mailboxes / doors in apartments or condo communities.

**Remember to be respectful of others property by using sidewalks and gaining permission before distributing.**

- Deliver to local businesses (like gas stations) and ask them to post or leave a stack of cards at the checkout.
- Ask a local realtor to help by giving a hanger or card to their clients who recently purchased a home in the area.
- Post to bulletin boards or other public announcement spaces in your community.

# PROMOTING POPCORN | WINDOWS & CARS

**HEY PARENTS!** A great way to help support your Scout is when you're driving around town.

When stopped or parked around town, you're community will know it's POPCORN time!

Just print with or add your Scouts Key Code in permanent marker and stick on the back of your car!

You can also display this as a static cling sign in any window of homes or businesses in your community.

Three Different Types of Links to Share and Promote your sale. Make Sure you use the right Order Link!

The screenshot shows the Camp Masters dashboard for a user named Brady Sieg. The main content area is titled "Campaigns & Contests" and shows "Active Campaigns" with "1 campaign available". Below this, there are "Linked Accounts" for Jason Leaderuser, Jason Leader, Max Sieg, and Jason Sieg. The user's profile is "Brady Sieg | Troop 231" from the "Ramsey Training Council | Chippawa District".

Three main sections are highlighted with red arrows pointing to the "Share Link" button in each:

- Show N' Sell:** Includes buttons for "Make a Sale (Product On Hand)", "Print QR Code", "Share Link", and "Make a Unit Sale (For Shared Scout Credit)".
- Scout Delivery:** Includes buttons for "Take an Order (Future Delivery)", "Print QR Code", and "Share Link".
- Direct To Consumer:** Shows "Your Scout Keycode: JNNW" and a URL: `https://ordering.campmasters.org/PopcornOrdering/Home/Index?UnitUserId=f72dl` with a "Copy" button.

At the bottom left, there is a navigation menu with "To Do", "Training L", "Links", and "Contests".

**Product You or your Unit has on hand and can deliver to Customer**

**Product Your Unit will order for you to deliver in the future to the customer**

# PROMOTING POPCORN | SOCIAL MEDIA POSTS

**Let's Connect Online!** It's time to let your family, friends and followers help support your popcorn sale. Make a post to your social profile or send a direct message to ask for their support.

1. Make sure you have your Key Code and **Correct Order Link** from CAMP MASTERS.
2. **Did you know?** You can also share to Facebook and Twitter, just copy your CAMP MASTERS Direct-to-Consumer ordering link and keycode, and make a post online!
3. CAMP MASTERS is providing the social content for you <https://www.campmasters.org/scouts-families> . Check back often as new post templates are added throughout the sale.
4. Be sure to ask others to share your message on their own accounts too!  
We're all 'Supporting a Scout' together.

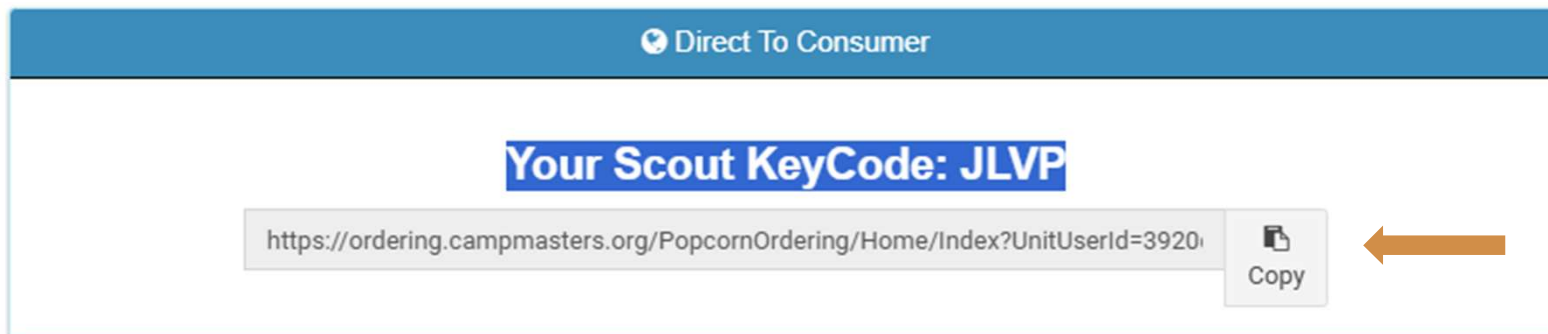

**FUN TIP:** You can also use this [email template](#) to send direct or private messages using your social media account!

# PROMOTING POPCORN | SEND EMAILS

**Make a list and send it twice!** Email is a great way to ask friends and family personally for their support of your Scout. There are multiple ways to make a connection!

1. Make a list of friends and family you think will support you in the popcorn sale. Try and list as many as you can think of in 5 minutes.
2. Then, you can **copy your Direct-To-Consumer Order Link** and send a personalized message from your inbox. CAMP MASTERS offers a [great template](#) to get you started.

3. After a few days, send the [follow up message](#) to anyone you haven't heard from. Sometimes people get busy and forget. Or don't have time to order right when you email them. It's OKAY to gently remind them of your request for their support.

# PROMOTING POPCORN | POPCORN SQUAD

**CREATE YOUR POPCORN SQUAD!** Ask your friends, family and neighbors to help spread the word about your popcorn sale!

1. Make a list of everyone you can think of in 5 minutes who would happily tell others about your popcorn sale.
2. Reach out to them personally and ask for their support. Here are just a few of the ways they can serve on your popcorn squad:
  - Distributing cards or door hangers where they live and work.
  - Sharing posts on their social media accounts.
  - Hosting a virtual popcorn party with you.
  - Emailing your online ordering link to people they know.
  - Asking their boss and co-workers to Support a Scout this year.
3. Think of fun challenges or ways you can help your popcorn squad celebrate their hard work and contribution to your popcorn fundraising success!

# PROMOTING POPCORN | LOCAL BUSINESSES

**ASK LOCAL BUSINESS OWNERS FOR THEIR SUPPORT!** The people who own a business in your town or county are always looking for ways to give back. Give them a call and let them know you'd like their support in the popcorn sale.

1. **Research local businesses within your town that you think would be a great popcorn partner.**
2. **Ask for the owner or manager when you call. Be sure to introduce yourself by name and give the reason for your call.**

Hi! My name is Caleb and I am a Scout with local Troop 321. I'm calling to speak with the owner about supporting my Unit this fall through our popcorn fundraiser. It's helping me earn my own way to \_\_\_\_\_. Do they have five minutes to help me?

3. **If they aren't available, leave a message asking them to call you back. When you do connect with them, let them know:**
  - **What you're doing** - fundraising by selling popcorn
  - **Who it supports** - your local Scouts
  - **Why it matters** - why Scouting is important to you
  - **And how they can help**
    - Purchasing popcorn for themselves, their clients or employees
    - Displaying your Scout Card at their location
    - Displaying a window sign at their location
    - Promoting the popcorn sale to their personal contacts

# PROMOTING POPCORN | KEEP A LIST

**BEFORE THE SALE ENDS!** Keep a list of everyone who ordered popcorn from you throughout the sale this year. Here's how it can help you sell more popcorn.

1. Add the date and what they ordered from you. In a few weeks, send a quick email follow up and see if they need to restock. Our yummy popcorn goes fast; and only comes around once a year. Make sure your friends, family and neighbors don't run out!
2. Reach out to everyone on your list a few days before the sale ends to capture any final orders they might want to make. This can be for take orders or online orders.

## PRO SELLER TIP!

Save this list and use it to kick off next year's popcorn sale. You'll have an instant customer base to start fundraising with. And you'll be able to let them know what they ordered and enjoyed last year.
