Welcome!

Over the last 250 years, America has gone through many changes in size and structure. Southeast Louisiana has also undergone many changes in its shorter but storied history.

- Our Council name has changed from New Orleans Council to New Orleans Area Council to Southeast Louisiana Council
 - Our Districts have seen changes in size and name
 - Our Council Camp has moved from Camp Salmen in Slidell, LA to Camp V-Bar at the Salmen Scout Reservation in Perkinston, MS.
 - Our membership has gone from older boys to including younger Scouts in the "new" Cub program to adding Tigers, then Lions and most recently young women to our programs.
- This Council has produced almost 9000 Eagle Scouts in its 100+ years.

This America 250th Anniversary Camperall is a celebration of all things Scouting as well as the Birthday Party for America. We can't wait to see all of you at Camp V-Bar enjoying a weekend full of great events and activities.

Camperall is open to all levels - Cub Scouts, Scouting America, Venturing, Sea Scouts and Explorer Scouts. We will also need a large number of Staffers to help ensure this event is a success.

Registration is available at

Southeast Louisiana Council and our Outdoor Committee is looking forward to hosting a fantastic weekend of Celebration, Commemoration and Fellowship for all of our Scouting Family.

Please read this guidebook carefully as there will be several special accommodations and adjustments made to our normal event setup and participation.

We hope to see you there to help us Celebrate America and Scouting!

***A Message From
our Council***

For nearly half of our nation's history, Scouting has shaped the very character of the citizens who keep the promise of freedom alive. As we celebrate America's 250th anniversary, we honor a legacy of leadership, service, and reverence for the land we call home. The same timeless values that built our past now guide a new generation of scouts to chart the course for our nation's bright future!

***A Message From
our District
Executive***

Scouting America builds the foundation of our nation's future by instilling timeless values of character, leadership, and selfless service in our youth. By teaching young people to respect the environment, guide others, and lift up their communities, scouting shapes the very citizens who keep America strong and united.

Preparation for Camperall

- If at all possible, register your entire unit together. We will be assigning campsites based on unit size. Also, be aware due to the sheer number of attendees, units will be sharing campsites with other units.
- BSA rules require that Scouts BSA/Venturing/Exploring Scouts Camp in separate areas than Cub Scouts. We will have separate areas designated for Cubs and Older Scouts. Be aware that if you have Scouts in multiple levels, you will not be able to camp together - for example: Little brother is a Cub Scout and big sister is a Scouts BSA. The Cub Scout and parents will camp with the Pack in the Cub area. The Scouts BSA will camp with her Troop in the Troop area. Please see FAQ at end of Guidebook for clarification.
- BSA rules require that for Scouting America, Venturing, Sea Scouts & Explorer Scouts, all adults attending with the unit must be registered with BSA in order for that unit to camp overnight.
- Wi-fi will not be available to participants. Please make other accommodations if you need access to wi-fi.
- If you need a CPAP machine when you sleep, please be sure to bring your own battery power to run it. We will not have enough electrical outlets nor strength on our grid to support multiple CPAP machines for our campers. Example of a battery that will work with a CPAP machine: Renogy 72000mAh 266Wh 12v Power Bank with 60w PD. You will also need a 12-volt adapter for your CPAP machine. No portable generators please.
- All participants and staff must bring a completed and signed Annual Health and Medical Record form parts A & B to the event. These forms will be kept at your campsite with your unit.
- One vehicle - pulling the unit camp trailer will be allowed into camp prior to 6:00 p.m. on Friday. Once the trailer is unhooked and secured, the vehicle MUST return to the parking lot. We will not have any extra room for trailer vehicles to remain in camp. No other vehicles will be allowed past the parking lot except those with special permission (i.e. staff vehicles, handicapped) after 6:00 p.m. on Friday or during the event.

Saturday Evening Bonfire

Camp VBar Trading Card Scavenger Hunt

The Camp VBar Trading Card Scavenger Hunt has two components:

Before Camp:

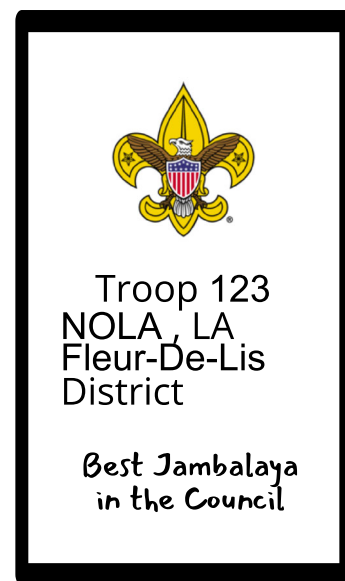

- Design your own unit Trading Card (see example). Include your unit number, when you were founded, favorite summer camp (wait, that's VBar!), what your unit is know for, number of total Eagles or anything else you can think of. The design is up to you as include your unit number.
- Using 10 per sheet business card template/paper, print out 1 sheet (10 cards) per participant (adults can play too) and bring to camp.

At Camp:

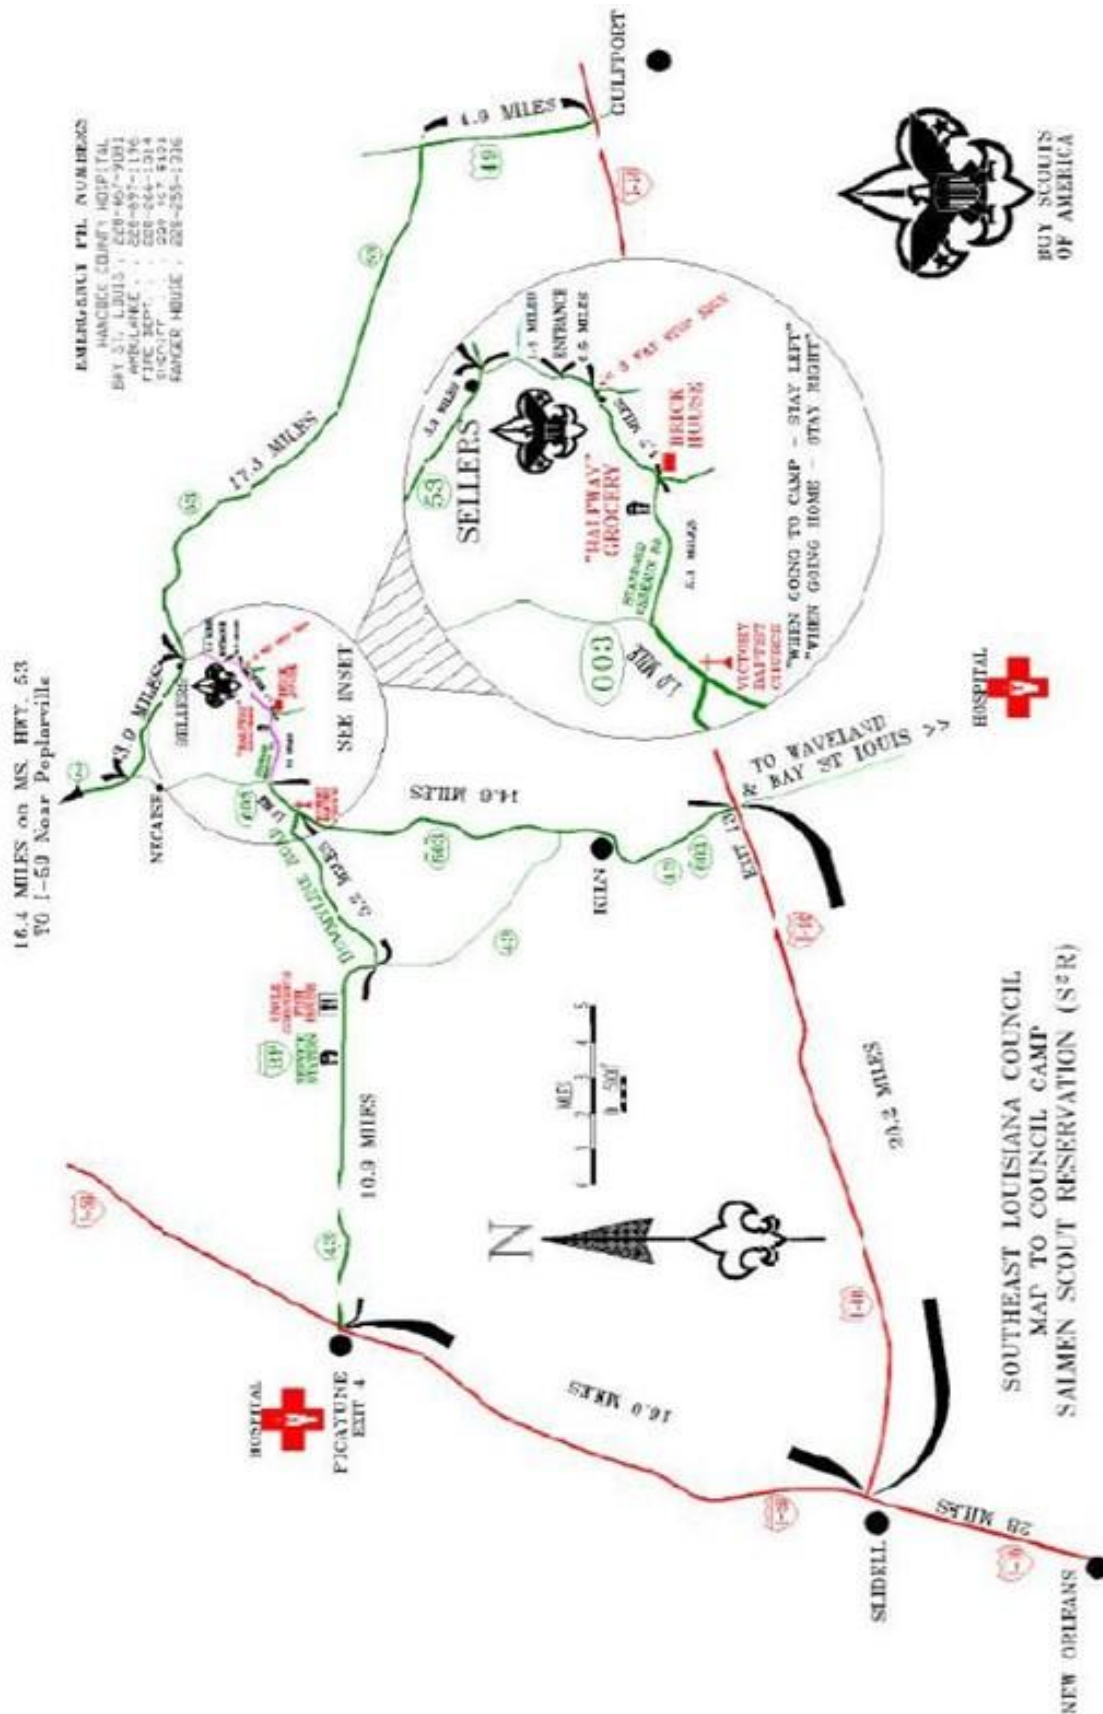

You can collect Trading cards three ways:

- Find members of other units who have made cards and trade your unit card for theirs. This is a great way to meet new people, find out about other adventures such as Venturing, Sea Scouts and Exploring.
- Visit the many different sites around camp and pick up a trading card while you are there. For example: Go to the Trading Post to get a snack and pick up the Trading Post Trading Card, or Visit the SELA Museum in the Training Center and pick up a card there.
- Last but not least, find one of our SELA Council dignitaries such as our Council President, Scout Executive or Health Officer and get a card from them.
- There may even be a couple of us walking around with a trading card stash that we are willing to trade a card with you, but you have to ask.
- So come out and have fun visiting all that activities that VBar and the 250th Celebration Camperall have to offer.
- A Full list of cards at camp (not including unit cards) will be available at the Administration office. Just stop by and pick one up.

You can download the form by going to scouting.org/forms and scrolling down to the Annual Health and Medical Record and then clicking the section "All Scouting Events." It is okay to come without your Pack and just bring your family and your Cub Scout.

Families must camp together, and no other, un-related children are allowed to sleep in a tent with another family.

Remember, you must carry all of your gear to your campsite so we suggest packing lightly. Some wagons are available to use to move gear to the campsites, however, you may also bring your own. We suggest loading as much gear into the Pack/Troop trailer as possible before leaving for camp as the trailer will be allowed into camp.

NO CARS ARE ALLOWED TO DRIVE BACK TO CAMPSITES. Pack/Troop trailers are allowed to be pulled to the campsite. Once secured, the pulling vehicle must be returned to the parking lot. It may not remain in the campsite. Due to the volume of campers at this event, all Unit trailers must be in camp before 6:00 p.m. on Friday.

Note to Packs & Cub Families: Please check with your Pack leadership to see what the Pack is bringing for everyone to use together. It is wise to have a meeting prior to the event so everyone knows exactly what is happening, do meal planning, understand what equipment the unit has and what the individual families need to bring, etc.

Campsites will be laid out efficiently so that everyone will be able to fit. Please pack conservatively and be considerate of your neighbors when setting up camp. Staff will be available at each campsite to help with the arrangement of tents and dining flies.

If anyone in the unit is in need of electrical power for medical devices, please bring your own battery to power the device. We do not have enough outlets and power in the grid to support so many medical devices.

Note to Troops/Crews/Ships/Posts: Please be aware that space will be at a premium. Some camp practices such as creating a "gate" to your campsite may not be possible at this campout. Most campsites will be shared with at least one other unit so be courteous and kind to your fellow Scouts. This campout may require some additional planning with meal prep if your unit is volunteering to Staff the event as well.

America 250th Anniversary Camperall Frequently Asked Questions

Q: What is the deadline to Register?

A: Early deadline is October 2nd. Late Deadline is October 14th. NO registration will be accepted after October 14th.

Q: Can I register an entire unit or is registration just by individual?

A: Registration can be accomplished either way. The registration page allows you to register anywhere from single individual to the entire unit. It also gives you the opportunity to register to participate as a Staffer for the event.
www.bsa-selacouncil.org/250

Q: How much does it cost?

A: Camping Friday & Saturday - \$25 per person, Saturday Day Only - \$20, Late Registration Fee - \$40 per person Camping or Day only, Liberty in action class - \$5

Q: What if I only want to attend during the day on Saturday?

A: That is a great option if you don't feel like camping. Register for that option then come up Saturday morning to enjoy the event. Pack a picnic lunch and dinner and have fun. Don't forget to stay for the closing program on the levee.

Q: Is there a t-shirt available this year?

A: Yes, & we also encourage units to design their own 250th shirts to wear for the celebration. We will have exclusive patches for this event that you can only get at the event while supplies last. Get exclusive merch at

https://stores.classb.com/Southeast_Louisiana_Council_Camp/shop/home

Q: How will the event work?

A: Activities for all levels will be available throughout Camp VBar. All Activities will be first come first served. Scouts will be able to participate in the activities they wish with no rotation schedule. Some activities will be available to only Cubs or only Scouts BSA and above. The Event Program will have more specific information.

Q: Will there be any competitions during the event?

A: There will be several opportunities (see Guidebook for more information):

1. Tug of War Competition – Cub, Scouts BSA and above as well as adult categories
2. Cobbler Cookoff open to everyone including adults
3. Scouts BSA Troops will also be able to participate in a few “Camporee” style competition during the event.

Q: The Guidebook says we must have our Unit Trailers in camp before 6:00. What do we do if we can't make it there by that time?

A: The Guidebook has been updated to an arrival time of 7:15. This allows you to arrive before dark. The reason behind this time is to provide for being able to safely park the trailer in the campsite before dark and before too many of the tents have been set up. If you cannot make it to camp with your trailer before 7:15, you must contact one of the co-chairs to make special arrangements.

Q: Our Pack and Troop share many adults in common and the Guidebook says that we will not be camping together but in separate locations. This will make it difficult for both units to attend. How will this issue be addressed?

A: The Guide to Safe Scouting regulates that "unregistered adults cannot camp with Troops." However, Packs camp as Family units with unregistered adults. To accommodate our "crossed" units but adhere to the Guide to Safe Scouting, we will set your units up in separate campsites that are in close proximity to each other so that leadership can still participate with each unit. Please encourage all attending adults to take YPT training so that they are aware of the regulations.

Q: Will there be food available for purchase?

A: Yes, food tickets are available to purchase for dining hall meals during registration

Q: Please explain the trading cards? Not sure what we are supposed to do.

A: Many of the activity areas will have a trading card for the participants to collect as they go around during the day. There will also be special cards available from certain personnel at the event. We encourage units to develop their own trading card (on business card stock) so that their Scouts can trade with Scouts from other units. In the end, Scouts will have a cool collector's item from the event.

Q: Where can I find more information about the event?

A: Download the 250th Anniversary Camperall Guidebook from the Council website. Be sure to check back periodically as we will be updating the Guidebook as more activities and events are finalized. Registration and information can be found at www.bsa-selacouncil.org/250

Q: Will there be any special 250th Anniversary items available at the event?

A: Yes, there will be! Be sure to check out our Trading Post at camp!

Q: Who can I contact if I have any questions?

A: For Cubs related questions, contact Jonathan Bridier; jonathan_bridier@yahoo.com. For Scouts BSA related questions, contact Ryan Arsenaux; t150neworleans@gmail.com
