LETTER FROM THE CAMP DIRECTOR

Dear Scoutmasters,

Welcome to the Camp V-Bar Winter Camp program!

Got a new tent for Christmas? Come try it out at V-Bar Winter Camp! Knock out those Eagle required and STEM merit badges at the coolest camp on the calendar. Camp V-Bar offers quality instruction for merit badges in a variety of areas, including the new Horsemanship Merit Badge. The camp schedule also includes activities to make Camp V-Bar one of the most fun camps in the country! And, if you are coming from up north, escape the blizzard and come experience Christmas time in the Gulf South.

The Council also has been engaging in other initiatives to improve both the program and physical facilities at Camp V-Bar. For fish and wildlife management, Mississippi Department of Wildlife and Fisheries representatives have visited camp to collaborate in efforts to enhance both the wildlife environment and fishing from the lake. Facilities such as the Dining Hall have been repaired and improved. And several other efforts also have been undertaken for potential upgrades to existing facilities and the addition of new, exciting features to camp. Consequently, the camp staff and I look forward to seeing you at Camp V-Bar.

Feel free to contact Juan Prado, the Camp Staff Advisor, or me if you have any questions about the camp program or anything else to do with camp.

See you at Camp V-Bar!

Dr. Charles "Chuck" Watkins

GENERAL CAMP INFORMATION, DATES, FEES

Order ALL merit badge class supplies online: When you register, you will pay a program fee for supplies you would have purchased in the Trading Post. Once you have registered and paid the program fee, your Scout will receive the supplies during class. Additional supplies will be available on a limited basis in the Trading Post at camp.

GENERAL INFORMATION	CAMP LOCATION: Salmen Scout Reservation, Camp V-Bar, is located in Southern Mississippi approximately 1½ hours outside New Orleans, Louisiana. Driving directions found at: http://www.bsa-selacouncil.org/document/general-information-for-camp-guidebook/150802	
	Salmen Scout Reservation, Camp V-Bar 27585 V-Bar Road Perkinston, MS 39573	Southeast Louisiana Council, BSA 4200 South I-10 Service Road West Metairie, LA 70001

Activity Schedule (subject to modification)

IMPORTANT! Please have your Scouts review the activity cards on the following pages! There are specific details that they need to know. For example, Welding MB: requires Scouts have appropriate clothing (not shorts and Crocs). There may be pre-requisites or gear required. Also, these can change over time as different MB Counselors provide input, so be sure to review them every camp.

-  Cannot be completed at camp
-  Prerequisites
- 

PROGRAM ACTIVITIES

American Labor

The labor movement in America seeks to ensure that the civil rights of laborers are protected in the workplace, especially in regard to wages, hours, and working conditions.

Archery

Archery is a fun way for Scouts to exercise minds as well as bodies, developing a steady hand, a good eye, and a disciplined mind. This merit badge can provide a thorough introduction to those who are new to the bow and arrow—but even for the experienced archer, earning the badge can help to increase the understanding and appreciation of archery.

Art

This merit badge concentrates on two-dimensional art, specifically drawing and painting in various media, including an introduction to design applications in the fields of graphic arts and industrial design.

PROGRAM ACTIVITIES

Aviation

For most of history, people have dreamed of flying, imagining how it would feel to soar like an eagle or hover in midair like a hummingbird, to float on unseen currents, free of Earth's constant tug, able to travel great distances and to rise above any obstacle. Today, through aviation, we can not only join the birds but also fly farther, faster, and higher than they ever could.

Backpacking

Scouts will learn what equipment to carry on their backs and what knowledge to have in their heads. In addition, Scouts will discover how to protect the environment by traveling and camping without leaving a trace.

Bring: Gear list on page 33 of MB Pamphlet

Note: Requirements 10,11 cannot be completed at camp.

Camping

When Baden-Powell founded the Scouting movement in the early 1900s, he encouraged every Scout to learn the art of living out-of-doors. He believed a young person able to take care of himself while camping would have the confidence to meet life's other challenges, too.

Note: Requirements 8d,9 cannot be completed at camp.

Chemistry

Chemistry explores how substances react with each other, how they change, how certain forces connect molecules, and how molecules are made are all parts of chemistry. Stretch your imagination to envision molecules that cannot be seen—but can be proven to exist—and you become a chemist.

Chess

By earning the Chess merit badge, Scouts will learn all about the game of Chess from how to play, to the different moves, to the ability to develop strategy and logic to use against their opponent.

Citizenship in Society

The first new merit badge for youth in the Scouts BSA program since 2017 officially launches today. Called Citizenship in Society, it provides Scouts with opportunities to learn more about our world by encouraging them to explore information on diversity, equity, inclusion and ethical leadership – and to learn why these qualities are important in society and in Scouting.

PROGRAM ACTIVITIES

Citizenship in the Nation

Scouts will learn how to become active citizens are aware of and grateful for their liberties and rights, to participate in their governments and protect their freedom, helping to defend their country and standing up for individual rights on behalf of all its citizens.

Citizenship in the World

Scouts who earn the Citizenship in the World merit badge will discover that they are already citizens of the world. How good a world citizen each person is depends on his willingness to understand and appreciate the values, traditions, and concerns of people in other countries.

Climbing

Basic climbing methods and rappelling techniques are taught at the Climbing Tower. Scouts will have the opportunity to rappel from the gravel pits on the back side of camp during this program.

Collections

Collecting can be an educational and financially rewarding pastime: a collector must educate himself about a specific subject, be able to tell which items are worth preserving, how to catalog and organize his collection, and how to evaluate the value of items.

Program Fee includes a starter Collection.

Communication

"Communication focuses on how people use messages to generate meanings within and across various contexts, cultures, channels, and media. The field of communication promotes the effective and ethical practice of human communication." - US Department of Education

Note: Requirement 5 cannot be completed at camp.

Composite Materials

Composites can be found just about everywhere: in airplanes and sports cars, golf clubs and guitars, boats and baseball bats, bathtubs and circuit boards, and even bridges. Composites make bicycles and skis lighter, kayaks and canoes stronger, houses warmer, and helmets tougher.

PROGRAM ACTIVITIES

Cooking

The Cooking merit badge introduces principles of cooking that can be used both at home or in the outdoors. Scouts who earn this badge will learn about food safety, nutritional guidelines, meal planning, and methods of food preparation, and will review the variety of culinary (or cooking) careers available.

Note: Requirements 4,5,6 cannot be completed at camp.

Crime Prevention

Preventing crime, which can be as simple as reducing the opportunities for crime to occur, is far less costly than apprehending and bringing legal action against those who break the law and it helps save people from the anguish of being victims.

Electricity

The Merit Badge is one of the original merit badges from 1911. Scouts can learn all about circuits and energy while earning the merit badge.

Energy

Saving, producing, and using energy wisely will be critical to America's future. If we are to leave future generations with a world in which they can live as well or better than we have, Scouts and other potential leaders of tomorrow must begin the hard work of understanding energy and the vital role it will play in the future.

Engineering

Engineers use both science and technology to turn ideas into reality, devising all sorts of things, ranging from a tiny, low-cost battery for your cell phone to a gigantic dam across the mighty Yangtze River in China.

Environmental Science

While earning the Environmental Science merit badge, Scouts will get a taste of what it is like to be an environmental scientist, making observations and carrying out experiments to investigate the natural world.

Bring: Suitable clothing for outdoors field observation

Pre-Req: 3e

PROGRAM ACTIVITIES

Fingerprinting

In earning the Fingerprinting merit badge, Scouts will learn about and use an important technique that is used by law enforcement officers, along with other materials like matching dental records and DNA sampling, to help identify amnesia victims, missing persons, abducted children, and others.

First Aid

First aid – caring for the injured or ill until they can receive professional medical care – is an important skill for every Scout. With knowledge of first aid, Scouts can provide immediate care and help to someone who is hurt or who becomes ill. First aid can help prevent infection, blood loss or save a limb or a life.

Bring: Materials to make a First Aid Kit.

Game Design

Scouts can earn a merit badge for playing games – and for creating their own. The Game Design merit badge teaches planning and critical-thinking skills, while introducing Scouts to an industry that's bigger than Hollywood.

Genealogy

Exploring your roots—where your family name came from, why your family lives where it does, what your parents and grandparents did for fun when they were your age—can be fascinating.

Bring: One of the following - Birth Certificate, Death Certificate, Marriage Certificate for yourself or a family member.

Note: Requirement 2b cannot be

Geocaching

The word geocache is a combination of "geo," which means "earth," and "cache," which means "a hiding place." Geocaching describes a hiding place on planet Earth - a hiding place you can find using a GPS unit. A GPS (Global Positioning System) unit is an electronic tool that shows you where to go based on information it gets from satellites in space.

Horsemanship

In addition to learning how to safely ride and care for horses, Scouts who earn this merit badge will gain an understanding of the instincts and behaviors of horses and humane and effective methods for training horses.

Bring: (1) Appropriate riding gear including long pants, shirt and boots or shoes; (2) parent or guardian must complete & sign waiver form.

PROGRAM ACTIVITIES

Journalism

One thing is for sure about journalism: It is never boring. For a reporter, almost every day is different from the last. One day you might interview the mayor of the city, the next day report on a car accident, and the day after that preview a new movie.

Pre-Req: 2,4

Intro to Outdoor Leader Skills

This 1½ day course expands on the concepts and themes introduced in Scoutmaster Position-Specific Training and provides Scouters with the confidence to take youth into the outdoors. Specifically, this hands-on program gives adult leaders a practical introduction to the patrol method by teaching many of the practical outdoor skills they need to lead Scouts in the out-of-doors.

Law

Earning this merit badge enables a Scout to learn about the history and kinds of laws, the purpose and methods of law enforcement, consumer protection agencies, emerging law, and careers in the legal profession.

Moviemaking

Moviemaking includes the fundamentals of producing motion pictures, including the use of effective light, accurate focus, careful composition (or arrangement), and appropriate camera movement to tell stories. In earning the badge, Scouts will also learn to develop a story and describe other pre- and post-production processes necessary for making a quality motion picture.

Pathfinder

The Pathfinder Area is designed to acquaint our first-year campers with life at Camp V-Bar and give them many of the skills that they need to achieve the rank of First Class.

Note: Program fee covers a Compass for each Scout

Photography

Beyond capturing family memories, photography offers a chance to be creative. Many photographers use photography to express their creativity, using lighting, composition and content to make their photographs into more than snapshots. Good photographs tell us about a person, a news event, a product, a place or a time in history. Bring: Personal Camera (preferably not a phone)

PROGRAM ACTIVITIES

Plumbing

Any

I

Plumbing, including pipe fitting, is an important and well-paid occupation. The industry is quite broad. It covers installations and repairs in homes, commercial properties, and factories. Plumbing pipelines are used for water supply, waste drainage, natural-gas heating, and many other purposes. Plumbing merit badge was one of the original 57 merit badges issued in 1911.

Rifle Shooting - Option A Modern

Any

I

\$

Our .22 Caliber Rifle Range provides Scouts with an opportunity to learn gun safety and to enjoy target shooting. Scouts are strongly encouraged to register early. A rifle, like any other precision instrument, is manufactured to perform a specific task and can do so at no risk to the user or others.

Program Fee includes ammunition.

Safety

Any

I

Knowing about safety helps Scouts to make the right choices and to take the best actions to avoid accidents by making informed choices in their everyday activities and to respond appropriately during an emergency situation.

Scouting Heritage

Any

I

"If I have seen further, it is by standing on the shoulders of giants." Isaac Newton wrote that in 1676; in 2016, the Scouting Heritage merit badge lets Scouts look further as well.

It introduces them to giants of Scouting like Robert Baden-Powell, Daniel Carter Beard, Waite Phillips and more. It helps Scouts claim their own place in Scouting history.

Search and Res- cue

Any

I

The goal of Search and Rescue (SAR) is to locate, stabilize and extract individuals in distress. That can mean a hiker on the side of a mountain, a sailor lost at sea, a trapped urban disaster survivor, a captured soldier or an Alzheimer's patient wandering city streets. Each area of SAR employs techniques specific to the circumstance.

Shotgun Shooting

Any

I

\$

A shotgun is a precision instrument, designed to shoot a shot charge in a specific pattern to cover a designated area at a certain distance. Unlike a rifle, the bore of the shotgun is not rifled, so the shot emerging from the muzzle is not spinning. Learn firearm safety and to enjoy target shooting.

Program Fee includes ammunition.

PROGRAM ACTIVITIES

Space Exploration

Build, launch, and recover a model rocket. Make a second launch to accomplish a specific objective*. (Rocket must be built to meet the safety code of the National Association of Rocketry. The rocket you build won't reach the moon, but the science and technology that goes into your rocket is the same as NASA uses in launching giant rockets.

Program Fee includes kit.

Weather

Meteorology is the study of Earth's atmosphere and its weather and the ways in which temperature, wind, and moisture act together in the environment. In addition to learning how everyday weather is predicted, Scouts can learn about extreme weather such as thunderstorms, tornadoes, and hurricanes, and how to stay safe.

Welding

This merit badge introduces Scouts to the basics of welding, and they will participate in hands on welding!

Bring: Long Sleeve Shirt and Long Pants

Program fee includes supplies.

Wood Carving

As with any art, wood carving involves learning the basics of design, along with material selection and tools and techniques, as well as wood-carving safety. The requirements of the Wood Carving merit badge introduce Scouts to an enjoyable hobby and that can become a lifetime activity.

Program Fee includes kit.

SUGGESTED PERSONAL EQUIPMENT CHECKLIST

Scouts BSA Handbook
Signed Annual Health and Medical Form (A, B & C)
Scout uniform (shirt, shorts, socks, belt)
Bible or prayer book
Camera
Comb, brush, and mirror
Completed merit badge pre-requisites
Daypack
Dirty clothes bag
Feminine hygiene products
Fishing rod and tackle
Flashlight and extra batteries
Hat for sun protection
Insect repellent
Money for Trading Post (\$50 recommended, no large bills please)
Mosquito netting
Notebook, pen and pencils
Pajamas or sleeping clothes
Long pants (for Horsemanship)
Personal first aid kit
Pillow
Pocket knife and "Totin' Chit"
Poncho or rain jacket
Raingear or weather-appropriate outerwear
Shoes (closed toe) or hiking boots
Shorts
Sleeping bag, liner or blanket and sheets
Soap and shampoo/conditioner
Socks (7 or 8 pair)
Sunglasses
Sunscreen
Toothbrush and toothpaste
Towels and washcloth
T-shirts (5 or 6/no tank tops)
Underwear
Watch
Water bottle
Work gloves

SUMMER CAMP

Swimsuit
Water shoes (aqua socks, etc.)
Water survival clothing (for Scouts taking the Lifesaving merit badge)

THANKSGIVING AND WINTER CAMP

Cold-weather hat
Long pants
Long-sleeved shirt

SURVIVAL KIT (for Scouts taking Wilderness Survival merit badge)

Compass
Ground cloth
Sewing kit
Signal mirror
Space blanket
Waterproof matches
Water purification tablets
Whistle

DO NOT BRING

Personal electronic items such as radios, Bluetooth speaker, TVs, electronic games, cell phones, fireworks, sheath or hunting knives, pets, personal firearms & ammunition, jewelry or other expensive items, personal bows and arrows, laser pointers

SUGGESTED TROOP EQUIPMENT CHECKLIST

Patrol flags
Lanterns (propane is best)
Matches / lighters / fire starters
Dining fly(s), poles, & stakes
Rope (1/4" manila)
Tents (if you have them), poles & stakes
Hammers & other hand tools
5-gallon water jugs
Ice chests
Trash bags
Lockable storage container
Troop first aid kit
Compass
Shovels, rakes, hoes, bow saws
Rolls of surveyor's marking tape
Camp chairs
Dutch oven and other cooking and cleanup gear (gear as needed for cobbler and chili cook-off)
Camp stove, pots and pans (gear as needed for patrol cooking on Wednesday)

CAMPSITE ENTRANCE/GATEWAY MATERIALS

Troop sign (should include troop number)
Troop flag
U.S. Flag
Twine & poles for lashing

BULLETIN BOARD

Bulletin board provided
Camp roster
Troop duty roster
Scout schedules
Emergency procedures
Push pins, etc. For bulletin board
Fireguard chart

PAPERWORK

Troop advancement records
Troop leaders guidebook
Paper BSA medical forms

Earn the Conservation Good Turn Award

Since 1910, conservation has been an integral part of the program of the Boy Scouts of America. The BSA has been a positive force in conservation and environmental efforts. Scouts have rendered distinguished public service by helping to conserve wildlife, energy, forests, soil, and water. Past generations of Scouts have been widely recognized for undertaking conservation Good Turn action projects in their local communities.

Scouts of today have grown up hearing words such as ecosystem, biodiversity, and climate change. They recognize the need for, and the benefits of, conserving natural resources. Scouts understand that we all must work together for the betterment of the land, forests, wildlife, air, and water.

Much has been accomplished in recent years by individual Scouts and through unit conservation Good Turns. Much more needs to be done both in our communities and at Camp V-Bar.

To Earn The Conservation Good Turn Award

The Conservation Good Turn Award is an opportunity for Scout troops to carry out a Conservation Good Turn while at Camp V-Bar.

- The Scouting unit leader contacts Juan Prado (juan.prado@scouting.org) before camp or the Camp Director or Program Director while at camp and offers to carry out a Conservation Good Turn project.
- A worthwhile and needed project will be identified that the unit can accomplish.
- Working together, the unit and the Southeast Louisiana Council representative plan the details and establish the date, time, and location for carrying out the project.
- The Scout earns the Conservation Good Turn Award by participating in the planned conservation project to the satisfaction of the unit leader.
- The unit leader completes the application by clicking [here](#) (or obtaining one at camp) and then submits it to the Camp Director or Program Director for the unit to be recognized.
- Individual patches for recognition of youth and adults participating in the project may be purchased by the unit at the Southeast Louisiana Council Scout shop.

STAFF CAMP V-BAR

WE WANT YOUR SCOUTS ON THE CAMP V-BAR STAFF!

Dear Scoutmasters,

The Camp V-Bar staff is committed to providing quality merit badge instruction and exciting evening programs to give your Scouts an experience that will last a lifetime.

Working at Salmen Scout Reservation has been one of the most fulfilling and exciting experiences in their lives for many of the staff members. Camp V-Bar staff members learn the value of teamwork and dedication while honing their Scouting skills, leadership and teamwork skills, and making lifetime friends. These skills will benefit your Scouts for the rest of their lives. If your Scouts join Camp V-Bar's staff, they will become role models for hundreds of youths and make a valuable impression on the lives of others.

If you have Scouts in your troop who you believe to be the best of the best, encourage them to join one of the greatest camp staffs in the country. We have a passion for Camp V-Bar, and we want to see it grow and become even greater as the years progress. To accomplish this goal, we need new staff members with innovative ideas willing to work hard to continue the tradition of making Camp V-Bar a great camp. We want your best Scouts. Have them sign up today!

First, we MUST have the Scout submit a resume to the Camp Staff Advisor, Juan Prado. Upon completion, the resume should be e-mailed to juan.prado@scouting.org. If interested Scouts do not have a resume, a sample resume may be downloaded [here](#).

Yours in Scouting,

Your Camp V-Bar Staff
